ABOUT US

- SAFFRON Home Interiors is a part of SAFFRON GROUP, established in 2000 and having 10 years experienced in home interiors. We have executed in all prime locations in India like Chennai, Bangalore, Hyderabad, Pune, Mumbai, Cochin etc.,
- Our professional and energetic team of talented interior designers and experienced project managers flawlessly guides clients through all types of residential design projects, from initial concept to a timely final execution.
- Our interior designers take pride in creating luxurious and innovative homes that are designed specifically for their owners, reflecting who they are and how they live.
- We understand that each interior design project we undertake has its own specific priorities, budget, and timeline. For that reason, we approach each home with a personalized concept that takes into consideration the specific needs, desires, and individual style of its owners.

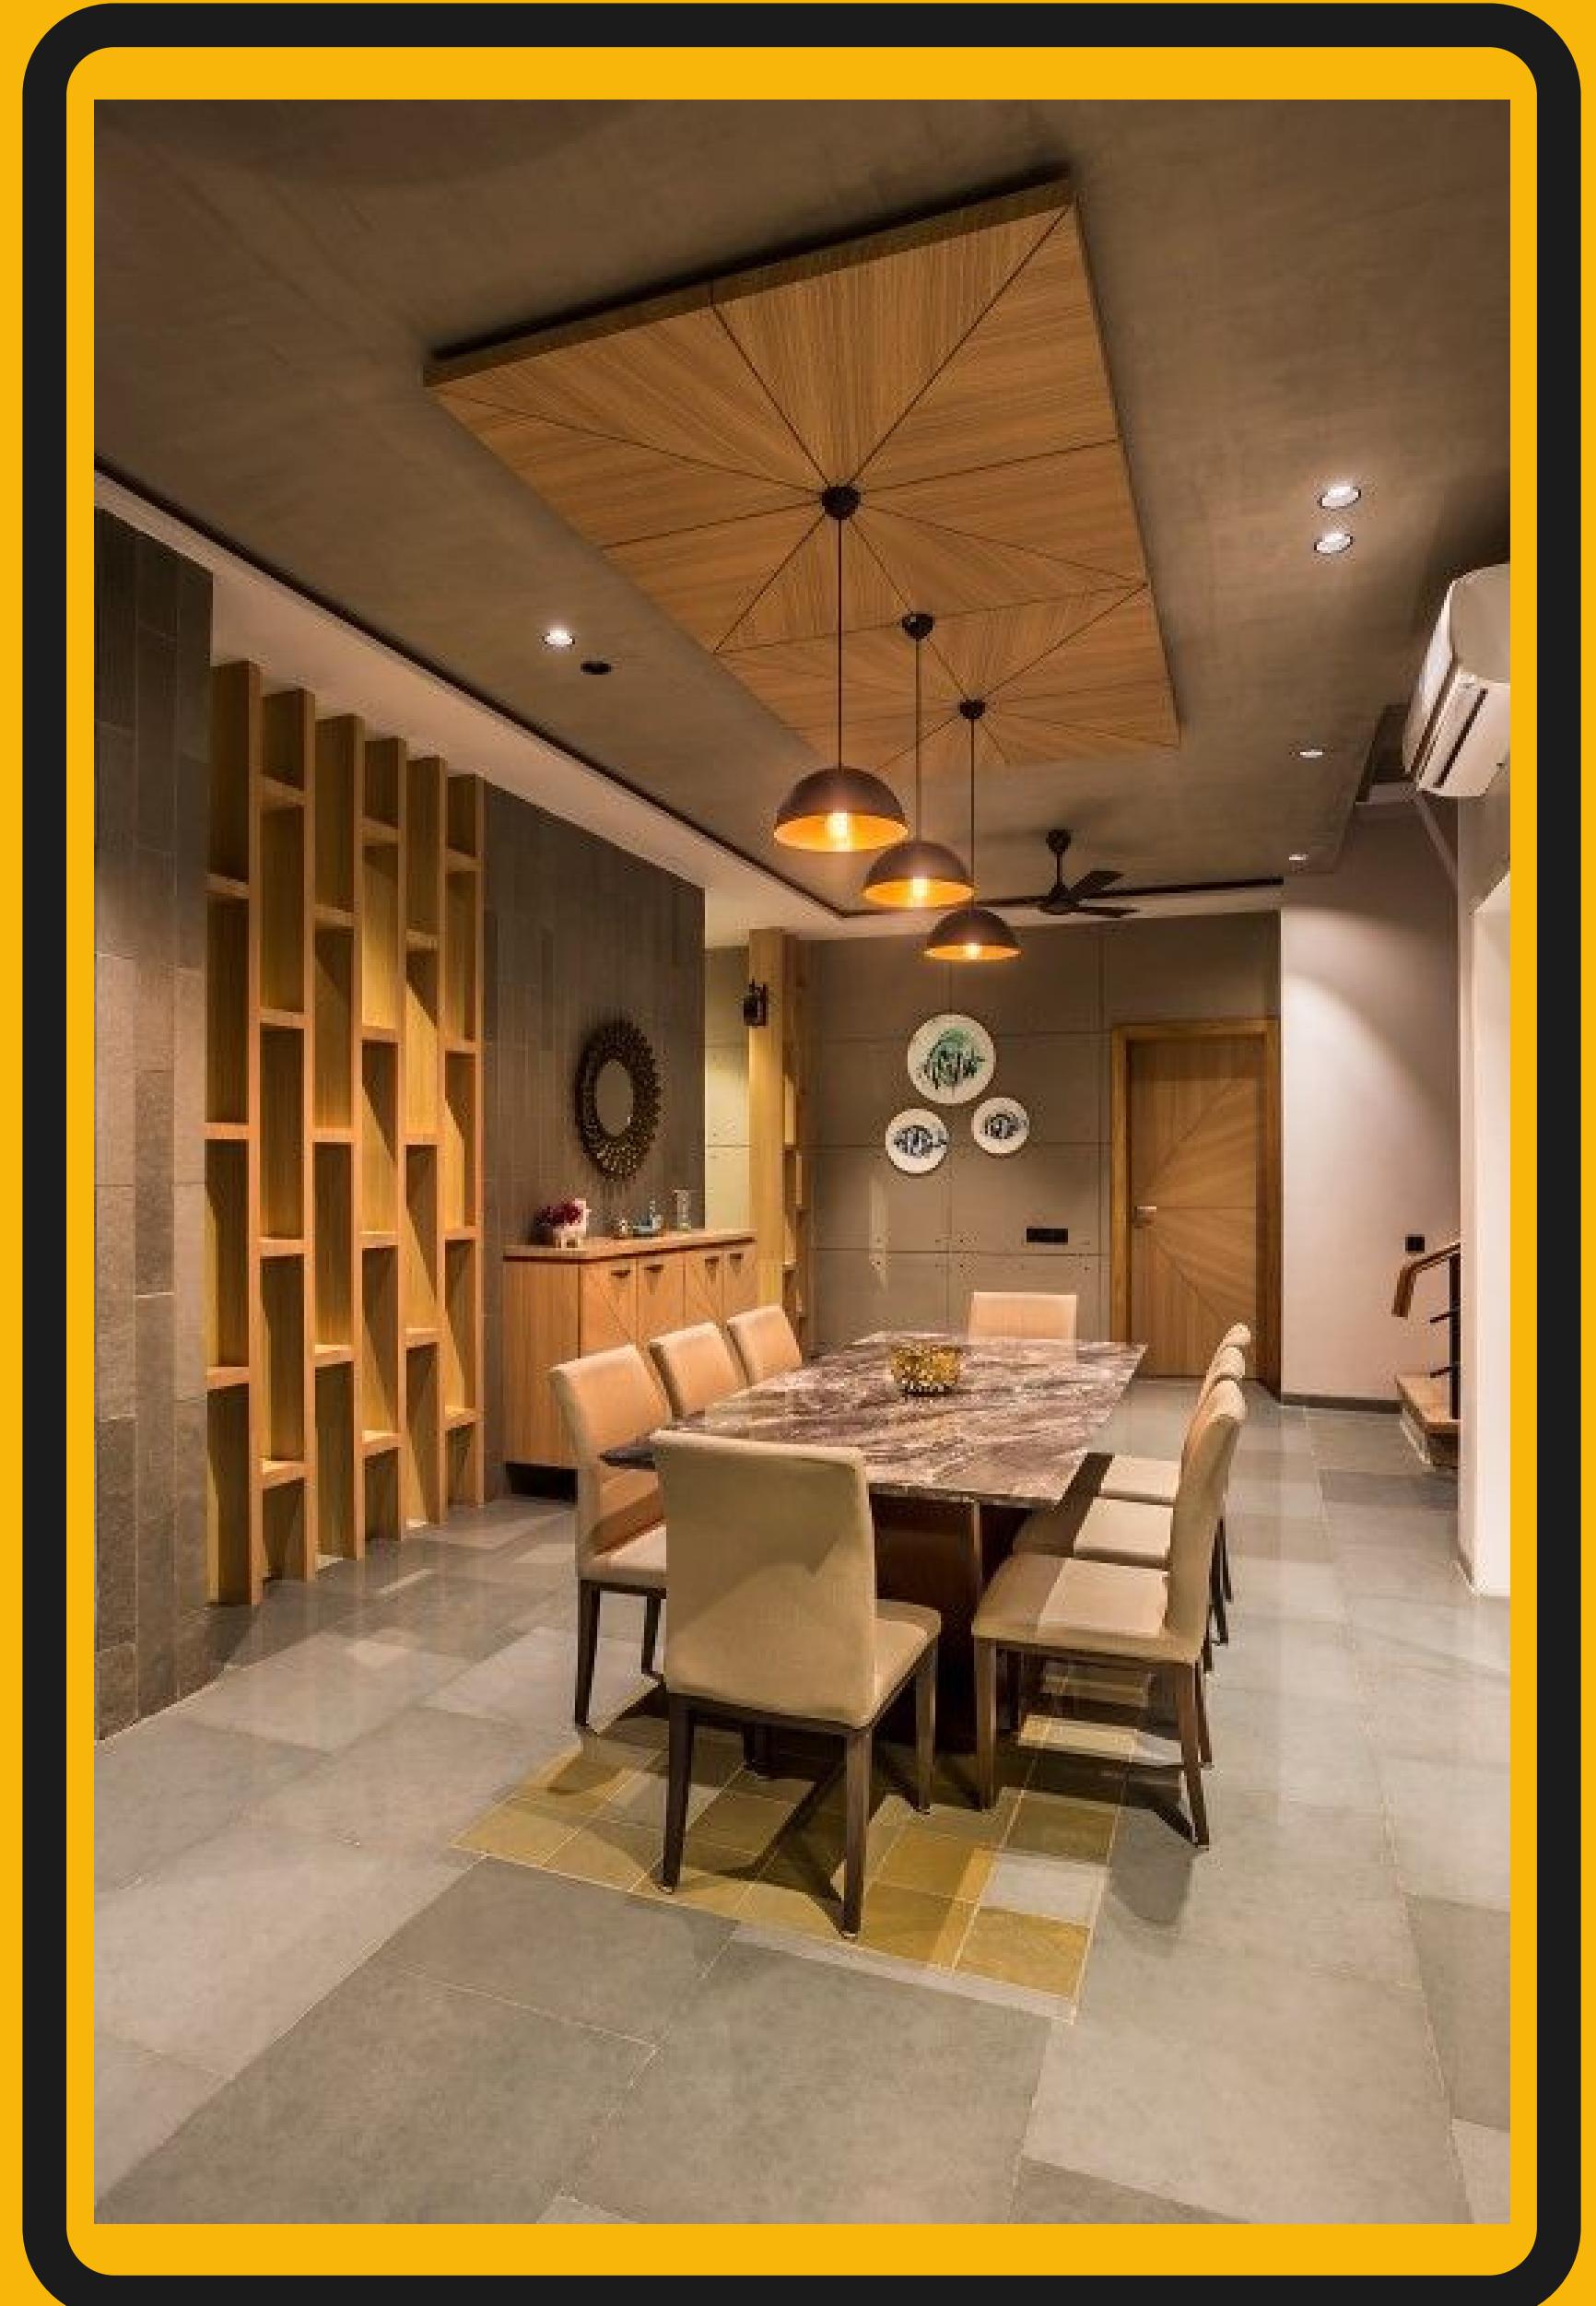

VISION

Our vision is to handover 500 Turnkey interior flats at 2024 with 100% factory made modular & higher end laminated finish.

Our professional experience consistently deliver exclusive services that bring a complete satisfaction of our clients requirements, which is the master key for our prospects.

MISSION

To provide clients with solutions that are aesthetically appealing and conducive with complete image in mind to achieve highest customer satisfaction possible.

MANUFACTURING UNIT

Precise cutting is the first job in any Wood work. Cute Kitchen uses Homag German (no.1 cutting machine) in the world for Precise cutting of your kitchen and wardrobe parts.

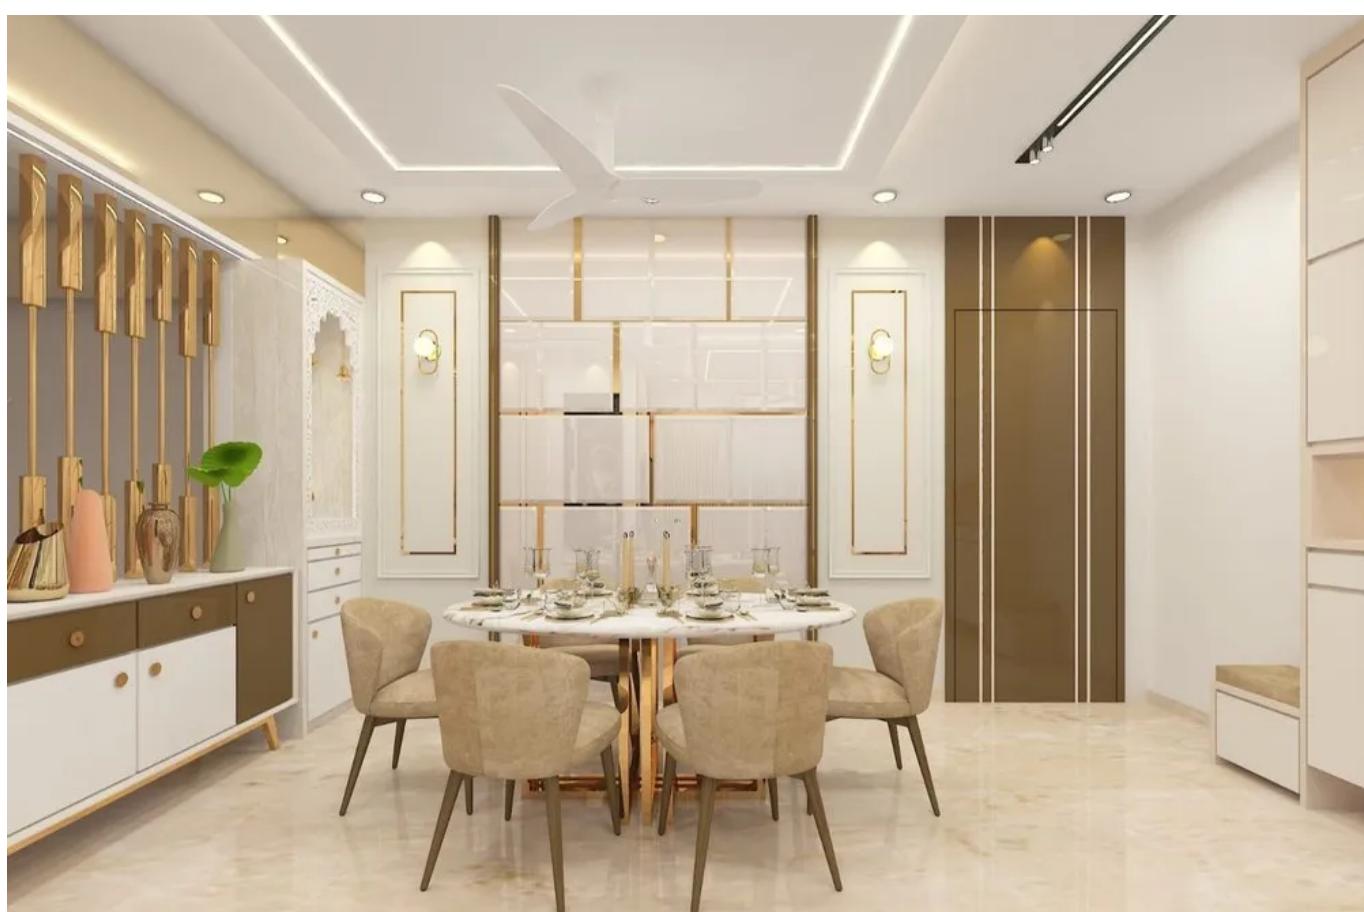

Ever Imagined 50 ton pressure over your laminated and ply wood bonding. it is equivalent to two/ three fully loaded trucks pressing your plywood and laminate.

Hi speed spindle moulder for bull nose, half round and full round and other edge profiles.

Our factory offers you Waterproof PVC edges with Imported PVC edge bands melted and pasted using high speed Edge band machine melted and pasted at temperatures ranging from 150 deg C to 190 Deg C. Assring you of water proof edges.

3D DESIGNS

Give wings to your imaginations as we design a 3D perspective view for your dream house. What's better than a 3D view of how it would look before you invest a fortune in your house project?

We give a spectacular 3D designs illustrated from a bird eye view to deliver in a better way. These designs will demonstrate your enhanced orientation view.

OUR CLIENTS FROM

PROJECTS AT SPR

CLIENT TESTIMONIALS :

The entire SAFFRON interior design team was truly amazing to work with. They fully captured our vision and need for functionality and gave us our dream home! They also made the process fun and exciting along the way and we trusted them completely. They truly are the best interior designers in Miami and would recommend them 100%!! - **Mr.Rakesh Nair**

SAFFRON has a great team, friendly relation, they designed the ideal house for my needs. It is a fantastic project, we are very happy! They were originally recommended to us by a friend and now we recommend them. - **Mr.Vasanth**

It's great working with SAFFRON Interiors on all of our projects. We highly recommend working with them... progressive interior design and easy execution! - **Mr.Kishore**

PROJECTS AT KG

CLIENT TESTIMONIALS :

When we first met the SAFFRON team we knew we had found what we needed.. a group of young, enthusiastic, sensitive designers. And also as we soon found talented and efficient. But what impressed us the most was their ability to listen to our story. They were from then able to propose a beautiful concept encompassing the essence of our vision. The rest was creativity, talent and hard work with a superb final result - **Mr.Sanjay**

Best decision ever! They took our house and transformed it into our home. They read us, understood our needs and captured our style with unbelievable professionalism. We keep rediscovering it as time passes by. There is no place we rather be than home, and part of that feeling we definitely have to thank SAFFRON for. - **Mrs.Savithri**

PROJECTS AT CASAGRAND

SAFFRON team were very easy to work with. They took the effort to find out our preferred style and colour scheme and easily adjusted whenever we wavered. Everything was handled very professionally by whole team. We are really enjoying and have got lots of compliments. Now we are working on our another home in Bangalore. - **Mr. Anil Gupta**
